Forty traditions on The Holy Quran

Introduction

In the preface of this book Forty traditions on The Qur an , I feel it is relevant to have a brief discussion about The Qur an itself . However the most difficult task for the earthly mankind , the pens and frail statements of human being , is to talk a bout the . "divine word of "God

?Truly what is The Qur an

If we catalog all the Prophetic traditions we read about the word of "Allah" , we will have an expanded article to the extent of the vast ocean of traditions of the Messenger of God and the progeny of His messenger [peace be upon them] regarding the Qur an and the truth and different dimensions of it . Truly choosing one verse and . forty traditions from such a deep and infinite treasure is rather difficult task

The comments in the body of traditions about the divine revelation and The Qur an . are so deep , stylish , agreeable and encompassing

The followings are descriptions that have been carefully chosen from the body of traditions on the Qur an . According to the instructions of the guardians of religion , the Qur an is the word of God . It is the shining glory of God and glorious word of Allah . It is an indicator to the path of God and the law of God . It is a creative prescription and . the sign of mercy of the Lord to the mankind

The Qur an is a

t: ۱

. sign of magnificence and gloryy of Allah and his immortal miracle

. The Qur an is the savior , the book of lessons , instruction and explanation

. The Qur an is the book of guidance which shows us the right path

The Qur an is the book of glad tidings and forecast , monotheism and sermon , notice . and morality

It is a kind of glory without any darkness and a kind of conveyance without obliquity . and it is an endless treasure

. The Qur an is the book of science and precepts and the history and historical analysis

. It is the book of politics , government , reasoning , policy and thinking

It is the book of peace and jehad , the book of origin and resurrection , the book of . creed and belief

It is the companion of mankind in the darkness of ignorance and guidance of human . being in the misleading paths of life

It is the book of scale , installment , justice , conviction , the right way and the straight . path

. This book repeats the conditions of formers for future comers

It promises salvation and deliverance , honor and pride to those who are . righteousness and believers

. It is the book of invitation and growth , virtue and goodness , life and solitude

The Qur an is the book of appearance and hidden , the book of this world and the next . word

The book of nature

t: ۲

and beyond of nature : the book of mysterious and witness : the book of God and . people

It is the sample and pattern of good qualities and suitable deeds; it is a book which guides doing the right deeds and forbids the wrong deeds and it is the book of . reputation

. It shows the path of paradise and prevents from the hell

. It is the most constant way to which God has invited

. It is the book of religion and eternal tradition of the Lord

. It is the book of morality and knowledge and jurisprudence and the law

. It is the book of eloquence and rhetoric and doctrine and government

. It is the book of human being and shows a path toward celestial kingdom

. It is companion of solitudes and panics of human being

Yea tens other topics can be enumerated that every one of them describes the scripture (Holy Book) and the eternal miracle of the Great Prophet Mohammad , . peace be up on him

It is hoped that the divine blessing encompasses us and we be firmly settled on the path of felicity and integrity by way of reading , teaching , reflecting and putting into . practice this heavenly book
